**THE EMBROIDERERS GUILD** is holding a National Stitch Day on Saturday 3<sup>rd</sup> August and hopes as many Branches as possible will take part – the aim being to publicise the guild and attract new members. Cotswold Branch members who are on email were notified of this event but the committee has decided we will not be taking part this year as very few people showed any interest.

The Guild plans for this to be an annual event, so any suggestions for suitable public venues where we could sit & stitch in future years would be welcomed by the committee.

### **HERITAGE OPEN DAY**

14<sup>th</sup> & 15<sup>th</sup> September 2013

The church of St Mary Magdalene (Elmstone Hardwicke with Uckington - GL51 9TJ) stands on perhaps the second oldest site of a Christian Church in Gloucestershire. It has been a remarkable parish with only two vicars in 87 years, the first being Rev. John Byron, second cousin of Lord Byron , the poet and the second Rev. George Bayfield Roberts who was presented with a large Bible by the German Emperor William the First. Come along to find out

why he was presented with this gift. This can be seen in the church today. Rev. George Bayfield Roberts was also a leader of the English Church Union movement. The Church has some of the oldest church records in the country and these will be on display, as will a display of altar frontals and vestments, some going back to Victorian times.

The church will be open on Saturday 14th September from 10.00 am until dark and on Sunday 15th from 12.00 am to 4.00pm. There will also be various stalls housed in marquees within the churchyard. The tower will be open for the more intrepid visitor. We hope to have something of interest for everyone.

Refreshments and **Ploughman's lunches** will be served on both days, but from 5.00 pm on Saturday there will be a **Pig Roast** at the Church, with a bar available and we hope to have a Brass ensemble playing in the evening.

The Church is located in Elmstone Hardwicke with Uckington just over a mile from Junction 10 on the M5. Take the A4019 to Cheltenham from the motorway and turn left at Uckington cross roads and on leaving the village the church can be seen on the left across the fields.

For further details ring David Williams 01242 680277

### **LOAN OF EMBROIDERY FRAMES TO TWYNING PARISH CHURCH**

***Did you lend an embroidery frame to help with a Canvas Work Project for Twynning Parish Church?*** In February 2011 the Cotswold Branch received a request from the Revd Richard Watson-Williams for the loan of any large embroidery frames suitable for a Canvas Work Project he was organising which he anticipated would take about 12 months to complete. Due to unforeseen problems the work is still ongoing, but the frames are no longer required and can be returned. However the names on two frames appear to have been lost. If one (or both) of these frames belong to you, please ring Ros Bendall on 01242 692434. The Reverend is very grateful for the assistance he has received, and the patience shown for the time taken.

### **Lending scheme**

It has been suggested that this newsletter could be used as a vehicle for members to request to borrow Embroidery books, DVDs or other resources – either according to techniques or specific embroidery/textile artists – from other members.

So far I have received no such requests but if you wish to borrow a named book, resources on a specific technique, or books by a named artist then please contact me stating what you are interested in borrowing, together with your contact details. I will then publish your request in the next newsletter and if a member has such resources they are willing to lend, they can contact you. Such an arrangement will be made solely between the lender and borrower.

I hope you find this newsletter of interest. If you have specific items you would like to be included such as relevant notices, information, events, exhibitions then please contact me and I will endeavour to include them. This is the newsletter for all Cotswold Branch members so please feel free to make your contribution.

Happy stitching,  
Judith (Chairman)
